Cubic

Welcome to **Cubic**. We design, build and install custom built exhibition & retail spaces. Our specially selected team of designers, craftsmen and suppliers ensure that our **custom built spaces for exhibitions and retail interiors** are second to none. From initial concepts to final installation you will find the Cubic team highly professional, fast and efficient.

### A dedicated team of designers & craftsmen

With over 25 years in the design and build industry, our team offers a wealth of experinced that is demonstrated through their creative approach and highest level of craftsmanship.

You will find the Cubic team highly professional through every step of your project, you will always know at what stage the project is with regular updates from our project management team.

Over the years our team have worked on projects with: Starbucks, Wickes, MFI, Ritz Carlton Hotel, Samsung Conferences, Hewlett Packard, Marks & Spencer, Specsavers, NEC, Sainsburys, AMC Amsterdam, The Boat Show Excel London, to name just a few.

## Custom built spaces that help you build your business

Our custom built exhibition & retail spaces will ensure that you have the perfect platform to showcase your products and services and sell your products

Working in collaboration with our highly skilled team of designers and craftsmen our design process gives you plenty of opportunity for your input and feedback, ensuring that your project brief is understood, your space effectively designed and built to the highest standard, on time and on budget.

### How we work:

1. Design brief/establish budget
2. Initial concepts
3. Final mock up/plan drawings & full cost breakdown
4. Build
5. Exhibitions – installation, uninstall & storage  
Retail – installation

## A combination of effective graphic design & expert craftsmanship

As part of our comprehensive service our graphic design team has a wealth of experience in creating a wide range of marketing collateral to help you communicate with your customers.

**Design for exhibition spaces** – from branding to information display panels, sales literature to online event marketing, we can offer you everything you need to communicate with your customers.

**Design for retail spaces** – from branding to shop fascias, point of sales displays to window graphics, we can offer you everything you need to stand out on the high street.

**Bespoke build** – working in partnership with your interior designer we can build from their plans to a fixed price for our build and installation services.

We can also refurbish and alter existing shop interiors, if it's only a subtle makeover that's required.

Stand out from the crowd with our  
bespoke custom built solutions, call  
today **07581 234557** (without obligation)  
to discuss your design requirements.
